

## Foul-Smelling Catarrh.

Catarrh is one of the most obstinate diseases, and hence the most difficult to get rid of.

There is but one way to cure it. The disease is in the blood, and all the sprays, washes and inhaling mixtures in the world can have no permanent effect whatever upon it. Swift's Specific cures Catarrh permanently, for it is the only remedy which can reach the disease and force it from the blood.

Mr. B. P. McAllister, of Harrodsburg, Ky., had Catarrh for years. He writes: "I could see no improvement whatever, though I was constantly treated with sprays and washes, and different inhaling remedies."

"Finally it was brought to my notice that Catarrh was blood disease, and after thinking over the matter, I saw it was unreasonable to expect to be cured by remedies which only reached the surface. I then decided to try Swift's Specific, and after a few bottles were used, I had a perceptible improvement. Continuing the remedy, the disease was forced out of my system, and a complete cure was the result. I advise all who have this dreadful disease to abandon their local treatment, which has never done them any good, and take S. S. S., a remedy that can reach the disease and cure it."

To continue the wrong treatment for Catarrh is to continue to suffer. Swift's Specific is a real blood remedy, and cures obstinate, deep-seated diseases, which other remedies have no effect whatever upon. It promptly reaches Catarrh, and never fails to cure even the most aggravated cases.

### Does It Pay To Buy Cheap.

A cheap remedy for coughs and colds is all right, but you want something that will relieve and cure the more severe and dangerous results of throat and lung troubles. What shall you do? Go to a warmer and more regular climate? Yes if possible; if not possible for you, then in either case take the only remedy that has been introduced in all civilized countries with success in severe throat and lung troubles. "Boschee's German Syrup." It not only heals and stimulates the tissues to destroy the germ disease, but allays inflammation, causes easy expectoration, gives a good night's rest, and cures the patient. Try one bottle. Recommended many years by all druggists in the world. Sold by dealers in all civilized countries. oct-27-ly

Wm. Orr, Newark, O., says: "We never feel safe without One Minute Cough Cure in the house. It saved my little boy's life when he had the pneumonia. We think it is the best medicine made." It cures coughs and all lung diseases. Pleasant to take, harmless and gives immediate results. W. T. Brooks.

### Question Answered.

Yes August Flower still has the largest sale of any medicine in the civilized world. Your mothers, and grandmothers, never thought of using anything else for indigestion or biliousness. Doctors were scarce, and they seldom heard of Appendicitis, Nervous Prostration or Heart failure, etc. They used August Flower to clean out the system and stop fermentation of undigested food, regulate the action of the liver, stimulate the nervous and organic action of the system, and that is all they took when feeling dull and bad with headaches and other aches. You only need a few doses of Green's August Flower, in liquid form, to make you satisfied there is nothing serious the matter with you. Sold by dealers in all civilized countries. oct-27-ly

Rev. W. H. Sitzer, W. Caton, N. Y., writes: "I had dyspepsia over twenty years, and tried doctors and medicines without benefit. I was persuaded to use Kodol Dyspepsia Cure and it helped me from the start. I believe it to be a panacea for all forms of indigestion." It digests what you eat. W. T. Brooks.

Lewis Ackerman, Goshen, Ind., says: "DeWitt's Little Early Risers always bring certain relief, cure my headache and never gripe." They generally cleanse and invigorate the bowels and liver. W. T. Brooks.

### To Cure A Cough

stop coughing, as it irritates the lungs, and gives them no chance to heal. Foley's Honey and Tar cures without causing a strain in throwing off the phlegm like common cough expectorants. Clarke & Kenney.

J. A. LAMBERT of Rachel, N. C., writes: "I heartily endorse Foley's kidney cure. It does what you claim it will do, and there is nothing equal to it, and I thank you for the good it has done me." Accept no substitute. Clarke & Kenney.

### Jones Chain Mower.

**ONE** Of the leading Implement Journals of America says editorially of the Jones Chain Mower: "The Plano Manufacturing Company, Chicago, is distancing all competitors with its popular Jones Chain Mower. It is probably the lightest draft and longest lived mower made, and is everywhere taking the lead over the old type of geared mowers. It is a recognized fact that the most expert mechanical engineers are abandoning cog wheels and adopting the sprocket and chain where direct power with the least friction is required. The most striking example of this is the use of sprocket and chain power on the great Ferris wheel. It is also used on mammoth ditching machines, traction engines, etc. This, beyond a doubt, proves its strength. Where speed and light running are required, the use of sprocket and chain is cited on bicycles. These are scientific facts which cannot well be talked down by competitors of the Jones Chain Mower."
